Mrs. ELIZABETH J. BUSHAW, of Sidney, Ohio, writes:

Salt-Rheum

and

Rheumatism.

World's Dispersal years I have felt it to be my duty to give you the facts in relation to the complete cure of a most aggravated case of sait-rheum, by the use of your 'Golden Medical Discovery.' An elderly lady relative of mine had been a great sufferer from her hands, causing the skin to crack open on the inside of the flugers at the joints and between the fingers. She was obliged to project the raw places by means of adherive plasters, salves, ointments and bandages, and during the winter mosths had to have her hands dressed daily. The pain was quite severe at times and her general health was badly affected, paving the way for other diseases to creep in. Catarrh and rheumatism caused a great deal of suffering in addition to the salt-rheum. She had used faithfully, and with the most commendable perseverance, all the remedies prescribed by the physicians, but without obtaining relief. She afterwards began treating herself by drinking teas made from blood-parifying roots and herbs. She continued this for several years, but derived no benefit. Finally, about ten years ago, I chanced to read one of Dr. Pierce's small pamphleta setting forth the merits of his 'Golden Medical Discovery' and other medicines.

The name struck my fancy, and seeing that it was essentially a blood-

system. She is now over eighty years old, and very healthy for one of such extreme age.

I have written this letter, of which you can make any use you see fit, hoping that some sufferer from salt-rheum might chance to read it and obtain relief by using your 'Golden Medical Discovery'—for 'Golden' it is in its curative properties, and as much above the multitude of nostrums and so-called 'patent medicines,' so zealonsly finanted before the public, as gold is above the baser metals.

F. W. WHERLER, 182 21st at. "

Rev. F. Assury Howell, Pastor of the M. E. Church, of Sitterton, N. J., says: "I was afflicted with catarrh and indigestion. Boils and blotches began to arise on the surface of the skin, and I experience a tired feeling and dulness. I began the use of him for such complaints, and in one week's time I began to feel like a new man, and an new isound and well. The 'Pleasant Purgative Pellets' are the best taste in the mouth, that I have ever used. My wife could not walk across the floor when she began to take your 'Golden Medical Discovery.' Now she can walk quite a little ways and do some light work."

Hip-Joint Mrs. Ida M. Straong, of Ainsworth, Ind., swrites: "My little boy had been troubled with hip-joint disease for two years. When he commenced the use of your 'Golden Medical Discovery' and 'Pellets' he was confined to his bed and could not be moved without suffering great pain. But now, and can walk with the help of crutches. He does not suffer any pain, and can eat and sleep as well as any one. It has only been about three months since he commenced using your medicine. I cannot find words with which to express my gratitude for the benefit he has received through you."

Consumption.

Soldman Butts, of North Clayton, Miami Co.,
Ohio, writes: "I have not the words to express my
gratitude for the good your "Golden Medical Discoveumption, and after trying one doctor after another I finally gave up all hope
of relief. Being very poor and having but one dollar is the world, I brayed to
God that he might show me something; and then it seems as though some
thing did tell me to get your "Golden Medical Discovery." My wife took it as
directed, and as a result she is so she can work now."

Gained

Wasting Disease.—Watson F. Clarks, esq. of (Box 195) Summerside, Prince Educard Island, Can., writes: "I would like to give you a slight testimonial for the benefits which I have received from your preparations during the past twelve montas. When I commended taking your 'Golden Medical Discovery' I did so at the solicitation of J. A. Gormile, druggist, of this piace. He had sold me many other preparations, always recommending your 'Discovery,' which I did not take, owing to prejudice. However, I shally took his advice and your medicine, and have never been sorry for either, as I am to-day a healthy man, while one year ago I was not able to work and was a burden to myself. At that time I weighed 122 pounds, and to-day I weigh 147 pounds. Then I used to cat about one meabs day, and now can eat four or new I dared to. After all these benefits, how can I retrain from adding my testimonial, unsolicited, to the thousands already in your possession."

A Bad Ulcer.

County, N. F., writes: "The 'Golden Medical Discovery' has cured my daughter of a very bad ulcer. Three bottles healed it up perfectly." Golare, or Thick Neck.—Julia P. Beckwiff, of 407 West Gray street, Etmira, N.
